

Name _____

Graphing Equations Project 2

Draw a line through each set of points; then write an equation for the line.

1. (0,6) (2,2)

Equation: _____

2. (0, -2) (2,1)

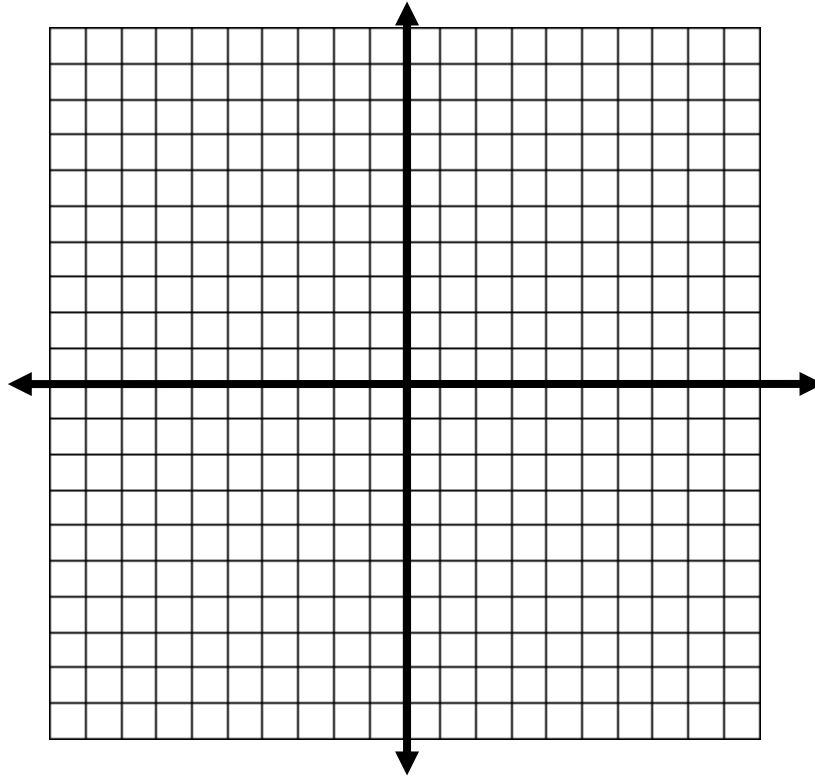

Equation: _____

3. (-1,0) (0, -2)

Equation: _____

4. (-2,3) (0,6)

Equation: _____

What is the name of this shape? _____

Bonus: Write an inequality for each line so that the inside of the shape is shaded.

1. _____

2. _____

3. _____

4. _____
