Furniture and Supplies

You are moving into your first apartment. It is not furnished, so you will need to bring or buy furniture. You also need to bring supplies, items for the kitchen, etc. For each category below, list the furniture/supplies you think you will need. Mark each item as something you already own or as something you need to buy. You will then search online to find an estimated cost for each item. If you own the item already, you can list the price as \$0.
